MEMORANDUM FOR: Acting Chief, DPD

SUBJECT: Extension of Tour for [REDACTED]

25X1A

1. [REDACTED] recently added to the Operations Section T. O. , completes his first tour extension in July 1959. Unless an additional extension is requested and approved, he will revert to USAF.

2. During his tour of duty with this Agency, which began 22 April 1955, [REDACTED] has developed a unique capability for the provision of vital planning information in support of the Air Support Section, and inasmuch as the programs which he supports will be passing through a critical stage, it is highly desirable that we retain his services for an additional year.

3. Additional considerations are that [REDACTED] is and will be performing duties directly in line with his USAF career field; and that an officer in the Assignments Branch, USAF, has informed [REDACTED] unofficially that USAF is over slotted in AFSC 20400 in the ZI and overseas and that his extension would probably be favorably considered if requested.

4. If you concur, request you broach this subject to Col. Geary and ask his support in getting [REDACTED] tour extended for one year.
